DETAILED ACTION

Priority

Acknowledgment is made of applicant's claim for foreign priority based on an application filed in Canada on 5/23/03. It is noted, however, that applicant has not filed a certified copy of the original foreign application as required by 35 U.S.C. 119(b).

Allowable Subject Matter

Claims 1-35 are allowed.

The following is an examiner's statement of reasons for allowance: **The primary reason for allowance is that prior art does not teach a steam generation method nor apparatus in which liquid fuel is conveyed by a fuel tube into a heater for heating and is then conveyed to be used to support the firing of a steam injection boiler.**

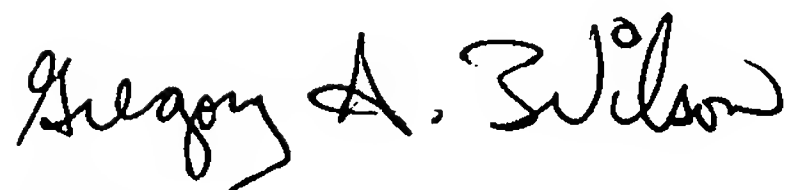

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Gregory A. Wilson whose telephone number is (571)272-4882. The examiner can normally be reached on 7 am - 4:30 pm EST.
